Course Overview

The APM Project Management Qualification is a knowledge-based qualification which enables you to demonstrate knowledge of all elements of project management. You'll be able to demonstrate an understanding of how these elements interact and how your project fits into your strategic and commercial environment.

This course is delivered virtually through the GTA, tutor led in real time.

Please note that if this course is being delivered face to face the deadline for applications is 10 days prior to the course start date.

Content

The qualification will cover the following learning objectives:

- Appreciate business processes and lifecycle models for projects and project management.

- Use critical path analysis techniques and manage resource conflicts.
- Contribute to the development of the business case.
- Select and apply appropriate project monitoring and control methods.
- Use a systematic approach to analysing and planning a project.
- Consider and apply appropriate conflict management and negotiating techniques.
- Appreciate the project context and actively manage the project stakeholders.
- Apply work breakdown structures and map responsibilities.
- Appreciate the context and relevance of project change control processes.
- Recognise the importance of developing effective leadership skills and communication techniques.
- Prepare for the APM PMQ examination.

The course is followed by a 3-hour online exam.

Benefits

Completion of the qualification will provide you with a breadth of knowledge in all areas of project management, including:

- Budgeting and cost management
- Conflict management
- Communication
- Earned value management
- Leadership
- Negotiation
- Procurement
- Sponsorship
- Teamwork

Prerequisites

You'll typically have some pre-existing project management knowledge. It's the ideal next step for anyone holding the APM Project Fundamentals Qualification (APM-PFQ).

Assessment

The APM-PMQ exam is an online three-hour exam paper with an additional 15 minutes reading time at the start, where candidates must answer ten from sixteen questions. The cost of the exam is included in the course price. The exam can only be taken online, using your own webcam and microphone (valid ID required). Subject to availability it's recommend that delegates book their exam at least 3 weeks in advance.

Next Steps

If you would like to book a place on this course please click on the '**Book Course**' button to the right of this page and login or register for a user account to complete your booking(s). Any queries please do not hesitate to contact us via **admin@gta.gg** or call us on 01481 224570.
