Benefits

The PowerPoint Intermediate/Advanced level course will give delegates a comprehensive knowledge of PowerPoint to be able to deliver an excellent presentation.

Prerequisites

Ideally delegates will have completed the 'Beginners' module or have a good working knowledge of PowerPoint versions to begin with.

Next Steps

If you would like to book a place on this course please click on the **'Book Course'** button to the right of this page and login or register for a user account to complete your booking(s). Any queries please do not hesitate to contact us via admin@gta.gg or call us on 01481 224570.

If no date is scheduled for this course at the present time please click on the **'Register Interest'** button and login or register for a user account so that we can add you to our course interest register. This register allows us to contact our tutors and finalise dates for a course as soon as we have a few people who have expressed their interest, so the more delegates who register their interest, the sooner we can schedule a particular course.

Course Tutor

Susan Watson

Susan Watson is a senior consultant and director with over 15 years' experience delivering business and technology solutions across finance and professional services. She specialises in making complex tools like Excel practical and accessible, with a focus on real-world application such as reporting, data analysis, and improving efficiency.
