Course Overview

PRINCE2® 2017 is the method used for planning and managing projects in the public and private sectors. The method is used for a wide variety and size of projects. PRINCE2® is universally accepted as best practice project management.

The online Practitioner course is aimed at that those requiring a controlled approach to managing projects. The first afternoon will cover the exam format and then move onto covering the PRINCE2 processes. Followed by a full day where delegates will consolidate and refresh their PRINCE2® methodology knowledge, in advance of booking in their Practitioner exam.

This course is delivered virtually through the GTA, tutor led in real time.

Content

The online PRINCE2 Practitioner course is a mixture of input and practical sessions, delivered by a PeopleCert approved trainer with practical experience of project management. This course includes course materials and the Practitioner Exam but the manual is not included. Please bring your own copy from the Foundation course. If you don't have it then contact us for purchase options.

You should spend approximately 10 hours studying the pre-course material in order to be well prepared for the course.

Due to the intense nature of this course, you should also plan to commit approximately 1 hour each evening during the course for study and review.

This course will cover the following topics:

- Structured Approach to Managing Projects
- The Process-based Approach
- Business Case
- Organisation
- Plans
- Progress
- Change
- Quality
- Risk
- Practical Work

The syllabus for PRINCE2® was updated in 2017, which was the first major update to PRINCE2 since 2009. As of December 2017 all PRINCE2 courses offered by the GTA have been taught off the 2017 syllabus. If you have any questions about these changes please **read this PRINCE2 Update FAQ document** in the first instance.

Benefits

After this PRINCE2 Practitioner course you will:

- Understand the PRINCE2® method at Practitioner level
- Understand the integrated elements of PRINCE2® (principles, processes, themes and tailoring) at Practitioner level
- Appreciate business processes and lifecycle models for projects and project management to Practitioner level.

- Learn to operate effectively with colleagues and managers within a structured project management

Assessment

PRINCE2 Practitioner Exam: 2½ hours, open book (PRINCE2 manual only) consisting of 68 objective test questions. The PRINCE2 Practitioner exam is now taken online and the exam provider will issue an exam token directly via email. Once exam token (valid for 30 days) is received, you can arrange to book in your exam.

To maintain your PRINCE2 Practitioner Qualification you will need to resit your PRINCE2 Practitioner exam within 3 years of passing your original examination or remain ac-credited under the AXELOS PRINCE2 Membership Scheme.

Successful candidates who achieve their Prince2 Practitioner certification by passing the Prince2 Foundation exam and the Prince2 Practitioner exam will be entered into the Prince2 Practitioner Register (Successful Candidate Register).

Please remember to bring and use your manual with you for the open book online practitioner exam.

Next Steps
